Austrian Music & Dance Workshop

Fun!!! Get your "Lederhosen" and "Dirndls" out and learn about Austria through its music and dance! Experience traditional Austrian culture through yodeling, singing some folk songs, and also by participating in traditional dances such as the "Schuhplattler". Admission is free & everybody is welcome!

This workshop is offered by Professor Gerald Kolm who teaches music to young people as well as music education courses for future teachers at the Kirchliche Pädagogische Hochschule Wien/Krems in Austria. Prof. Kolm also teaches German as a foreign language to international students, and is the Erasmus Coordinator for international students at his university.

Prof. Kolm's special invitation to SSU's male students: "Those young men who want to impress marriageable young ladies with their dancing skills are more than welcome to join the final Schuhplattler!"

Sponsored by the Department of Modern Languages and Literatures & the German Club "Gemütlichkeit"
